

# Project. Rules

$$G = 30\%L + 70\%P$$

- **P = Business Process Automation Project**
  - **P represents the RPA course final assessment;**
  - P is an individual student or a pair (of two) students project;
  - Any student enrolled in RPA elective course can register to elaborate and deliver P.
  - Additional announcements on registering a pair to P will be provided over MS Teams.
  - Details on the P **requirements** and **assessment** will be available on MS Teams.
  - **The registration deadline is the end of week 05.**
  - P will be delivered during **week 14** according to a scheduling that will be available by the end of week 11.
- **Project (P) = 70% of the final grade (G).**
